SPEECH

The speech therapy in Cando Public School in 1961 was started under the administration of Superintendent Reitan. It was agreed upon that the districts of Leeds and Cando would share the expenses.

In speech they are taught to speak more distinctly and correctly. Some of the teachers who have helped these people are:

Bertha Roswink	1960-61
Robert Twamly	1961-62
Lois Jones	1962-65

These teachers while teaching speech in our districts would go back and forth between the towns for their classes.
